Enhancement program for Case Managers

Core module 2: Recovery for people suffering from severe mental illness (Class B)

Date, Time & Venue:

Date	Intake 2020 (Class B)	Venue
31 Aug 2021 (Tuesday)	13:30-17:00	Lecture Theatre, Centre for Health Protection (CHP)
30 Sep 2021 (Thursday)		Lecture Theatre, M/F, Hospital Authority Building (HAB)
29 Oct 2021 (Friday)		

Aim:

To assist multidiscipline professional staff to develop the advance knowledge and skills in recovery promotion for people suffering from severe mental illness.

Objectives:

Upon completion of the program, participants will be expected to:

- Understand the Case Management model of recovery oriented service;
- Recognize the critical ingredients in running a recovery-oriented service;
- Acquire the assertive outreach strategies in promoting recovery for people with severe mental illness;
- Understand the roles and responsibilities of a peer support worker in community psychiatric service;
- Apprehend the essential elements in promoting recovery of people having mental disorders; and
- Share the experience on the effectiveness of peer support services in the psychiatric settings.

Teaching-Learning Strategies:

Skill practice and role play

Invited Speakers:

Ms. Jolene MUI Ex-General Manager (Nursing), Castle Peak Hospital (CPH)

Module Coordinator:

Mr. LEUNG Kwan-tai Nurse Consultant (Community Psychiatry), NTWC
