

RT Scientific Meeting 2021/22

(Grade-specific Training Curriculum for RTII with 3 or more years of experience)

Organized by Institute of Advanced Allied Health Studies

Topic:	Introduction of MR Imaging in Oncology for Radiation Therapists
Date & Time:	13th November 2021 (Saturday) 9:00am-12:30pm
Objective:	To equip Radiation Therapists with basic knowledge on MR Imaging, MR Safety Principles and Cancer Imaging Techniques
Program Design:	Lecture
Mode of Delivery:	Zoom
Target Participant:	RT II with ≥ 3 years of working experience. [Since the captioned program covers a new topic and is relevant to the development of MR simulation, additional quotas are opened to Department Manager/ unit in-charge/ team leader, if indicated]
Class Capacity:	60
Language Medium:	English supplemented with Cantonese
Award:	Certificate of attendance would be awarded to participants who have attended no less than 80% of overall program
CPD Points:	3.5 (pending approval)

Rundown:

Time	Program content	Speaker
0845-0900	Sign in to ZOOM	
0900-0905	Introduction	Mr. Simon Wong SRT, PWH
0905-1000	Basic MRI Physics and Image Formation	Dr. David YEUNG Physicist (ONC), PWH
1000-1100	Introduction to MRI Hardware and Safety Principles	
1100-1200	Overview of MRI Techniques for Cancer Imaging	
1200-1210	Mid- way polling	Ms. Emily Ho (TO)
1210-1230	Q&A	Mr. Simon Wong SRT, PWH

Enrolment: For enrolment, please send the attached nomination form via Department Manager / in-charge / supervisor to Institute of Advanced Allied Health Studies (IAAHS) by replying this email, quoting **“Program Announcement – RT scientific Meeting (Ref 044, 039)” on or before 8 October 2021 (Friday).**

Enrollment result would not be notified individually, it should be checked before program commencement via HA IAAHS intranet <http://ah.home/haiaahs/SitePages/Program.aspx> or through e-Learning Centre http://elc.home/myelc/login_pop.aspx on or after 1 November 2021(Monday).

Enquiry:

Please contact Ms. Emily Ho at 2300 8454 (program) or Ms. Ella Yeung at 2300 7714 (registration).

Important Notes:

- Participant has to participate in all interactive activities during the program
- As there would be interactive activities/ group discussion during the program, participants are **required to prepare ALL of the following equipment:** (1) individual desktop/ laptop/ tablet/ mobile with stable internet access, (2) headphone/speaker (to hear), (3) microphone (to speak) and (4) webcam (to see your face).
- According to HA's best practice, **only authenticated users** could join the Zoom® training. Participant should register a Zoom® account with his/her **HA internet email** and provide details of your Zoom® account during the enrolment. Sign up of a Zoom® account can be done at: <https://ha-org-hk.zoom.us/signup>
- The Zoom® training link, ID and password would be sent to successful nominees at least 3 days before program commencement. Participants should not disclose the zoom details to any non-participants of the program.
- Participants are required to strictly adhere to the below **infection control precautions** when attending the program (for both individual or group registration).

Guideline on Infection Control Precautions as advised by CICO for HA Training Activities

(endorsed on 5 February 2021)

1. Staff including trainees and trainers, **who are under quarantine order on the date of training, or who are currently required by the government to undergo COVID-19 testing, including the "Compulsory Testing for Certain Persons" under the Prevention and Control of Disease Regulation (Cap. 599J), without a negative test, SHOULD NOT attend the training.** Please take note on the latest health advice as announced by the CHP before attendance.
2. **No training activities allowed in high risk areas**, e.g. isolation wards
3. **Basic infection control training** for HCWs should be completed within last 24 months and preferably COVID19 related staff forum attended
4. Advise staff, including trainees and trainers, to have **self-temperature check** before training activity
5. **Avoid attending if there are any symptoms** of fever, cough, runny nose or other respiratory symptoms or loss of taste or smell or diarrhea.
6. Apply **universal masking** with surgical masks and **enhance personal hygiene**, especially hand hygiene and cough etiquette
7. Provide **alcohol-based hand rub** for hand hygiene in the venues
8. **No drinking or eating** allowed during activity
9. Apply **social distancing of at least 1.5 meter apart between attendees** if applicable (or the latest advice as announced by Centre for Health Protection)
10. Enhanced **environmental hygiene** in training venues, especially (but not exclusive) frequently

touched surfaces, e.g. doorknobs, light switches, countertops, keyboards, desks, remote controls, shared training materials etc

*Remarks: For full-day training program or programs held during lunch hour - **avoid meal gatherings** and have **staggered meal breaks** as far as possible*
