

## Quality Leadership Training Series for AHP

### Organized by Institute of Advanced Allied Health Studies

Class	Class 1: Problem Solving and Decision Making using Edward de Bono's POWER OF PERCEPTION™ tools	Class 2: Influential & Inspirational Leaders
Date	6 January 2026 (Tuesday)	7 January 2026 (Wednesday)
Time	09:00 – 17:00	09:00 – 17:00
Venue	G08, Block M, Kowloon Hospital	G08, Block M, Kowloon Hospital

#### Aim:

Class 1	Class 2
This program aims to equip Senior Allied Health Professionals with the fundamental leadership skills in the area of Quality Thinking for Impactful Results. Leaders will learn tools to widen their perception and analyse situations in order to respond effectively.	In environments of increasing stress and ambiguity, you may find that the traditional leadership skills are no longer effective for different generations of team members, you will need to find new ways to inspire the team and build collaborative relationships to bring healthcare leadership to a new level.

#### Intended Learning Outcome:

Class 1	Class 2
<ol style="list-style-type: none"> <li>To equip AH staff with the POWER OF PERCEPTION™ Tools for analytical thinking</li> <li>To facilitate AH staff to learn how think “out of the box” with Lateral Thinking technique and use values and priorities for In-Depth evaluation and Decision Making</li> <li>To facilitate AH staff to hone their leadership skills after completion of the workshop</li> </ol>	<ol style="list-style-type: none"> <li>To understand people's reactions in different situations especially when they are under stress</li> <li>To recognise their own leadership strengths and weaknesses</li> <li>To learn to frame situations in ways that people will understand</li> <li>To learn how to influence their team's resistance to change</li> <li>To build trust and confidence in their teams</li> <li>To learn to improve the quality of communication with their work teams</li> <li>To realise how diverse energy types affect others at work and at home</li> </ol>

### Speaker Profile

#### **Overview of Experience**

As Edward de Bono's official representative in Asia, Linda has been key to the popularity of Dr de Bono's thinking techniques in Asia for the last 35 years. She is one of the first twelve in the world and one of the only 2 Asians to be specially selected and personally trained by Dr Edward de Bono to provide training in his Thinking Methods.

A veteran in the field of Strategic Thinking and Creativity, Linda empowers leaders, managers, teams and organisations by unlocking their personal thinking and professional potential.

Besides being a well sought-after motivational speaker and an excellent team builder, Linda is well known to CEOs, MDs, top International Agency chiefs including parliamentarians as an inspirational coach for personal and leadership effectiveness. She specialises in one-on-one CEO and management coaching particularly in coaching High Potentials for Succession Planning. Significantly, one of her coachees was the country winner of the Ernst & Young Entrepreneur of the Year Award.

She has facilitated workshops across a variety of industries including government agencies, banking, insurance, hospitality and technology, military, medical/pharmaceutical sectors for decades. Her forte is in the Healthcare and Hospitality Industries and she also provides training to Senior Consultants and Heads of Departments in their Strategic Planning and Leadership skills.
