

INSTITUTE OF ADVANCED NURSING STUDIES
The Core Module of the
Post-registration Certificate Course in Paediatric Specialty Nursing 2025/26
(03/11/2025 – 30/11/2025)

Organised by Institute of Advanced Nursing Studies

The Nursing Council of Hong Kong has approved the Hospital Authority as a provider of Continuing Nursing Education (CNE) since 1 December 2005

COURSE INFORMATION

This course is the Fundamental Module of the Post-registration Certificate Course in Child and Adolescent Nursing (03/11/2025 – 23/06/2026), Post-registration Certificate Course in Neonatal Intensive Care Nursing (03/11/2025 – 11/08/2026) and Post-registration Certificate Course in Paediatric Intensive Care Nursing (09/02/2026 – 08/10/2026). Nurses who have been nominated to the full course of PRCC in the above courses are not required to enroll in this module.

COURSE AIMS

1. To build up the competencies of registered nurses working in Paediatric Units for the provision of quality care to paediatric patients.
2. To advance the course participants' repertoire of knowledge, skill and attitude in Paediatric Specialty Nursing.

COURSE INTENDED LEARNING OUTCOMES

Upon completion of the course, the participants should be able to:

1. recognize the normal growth and development in the physical, psycho-social and emotional aspects from birth to adolescence
2. perform integrated health assessment on children and adolescents to identify their health problems and risks
3. acquire knowledge on caring children and adolescents with common system disorders and health risks
4. aware the importance of family-centred care in paediatric nursing

TARGET PARTICIPANTS

- Nurse in EN, RN or above ranks
- Priority will be given to those who are currently working in Paediatric units or related departments in HA hospitals / institutions.
