

INSTITUTE OF ADVANCED NURSING STUDIES

Seminars on Advanced Gynaecological Nursing 2025/26

Seminar C

The Nursing Council of Hong Kong has approved the Hospital Authority as a provider of Continuing Nursing Education (CNE) for the period since 2005.

Date : 27/11/2025 (Thursday)

Time : 09:00 – 12:45

Mode of learning : Online via zoom

This seminar is an “open -up” session of the Post-Registration Certificate Course in Advanced Gynaecological Nursing (25/09/2025 – 14/05/2026), organised by Institute of Advanced Nursing Studies and conducted by NTEC.

Aim(s)

1. To introduce common gynecological problems affecting pediatric and adolescent patients
2. To educate participants about fertility preservation techniques and vaginal dilation therapy in adolescent patients

Intended Learning Outcome(s)

At the end of the seminar, the participants should be able to:

1. identify and describe gynecological conditions specific to pediatric and adolescent populations.
2. explain the role of vaginal dilation therapy in post operation care.
3. recognize available fertility preservation options for cancer patients.
4. apply principles of multidisciplinary care in managing reproductive health for young and oncology patients.

Target Participants

- EN, RN or above ranks

Class Size

500

Language Medium

Both English and Cantonese will be used.

Award of Certificate

An electronic certificate of attendance will be awarded to those participants who have attended all parts of the seminar.

Attendance taking: To ensure active participation of all attendees throughout the entire class, QR codes will be displayed both prior to and during the session. Participants are required to utilize the HR app to scan multiple QR codes for the purpose of attendance verification. Additionally, it is mandatory for participants to join the Zoom class punctually, at least five minutes in advance.

CNE Points

This seminar is equivalent to 3.5 CNE points. (TBC)
