

INSTITUTE OF ADVANCED NURSING STUDIES

Seminars on Oncology Nursing (2025/2026)

Seminar B : Cancer screening, early detection and prevention

The Nursing Council of Hong Kong has approved the Hospital Authority as a provider of Continuing Nursing Education (CNE) for the period since 2005.

Date : 29/12/2025 (Monday)

Time : 15:30-17:30 hours

Mode of learning : Online via zoom

Pm

This seminar is an “open -up” session of the Post-Registration Certificate Course in Oncology Nursing (10/11/2025-21/09/2026), organized by Institute of Advanced Nursing Studies and conducted by NTWC.

Aim

- To educate nurses about the importance of cancer screening and early detection, as well as effective prevention strategies to reduce cancer incidence.

Intended Learning Outcomes

At the end of the seminar, the participants should be able to:

- Define cancer screening and its significance in early detection,
- Identify common cancer screening tests and their recommended guidelines,
- Discuss the role of early detection in improving cancer outcomes,
- Review risk factors and signs that necessitate screening, and
- Identify effective prevention strategies in cancer prevention.

Target Participants

- EN, RN or above ranks

Class Size : 100

Language Medium

Both English and Cantonese will be used.

Award of Certificate

An electronic **certificate of attendance** will be awarded to those participants who have attended all parts of the seminar.

CNE Points

This seminar is equivalent to 2 CNE points.
